GROWING ACADEMIC VOCABULARY

This 1-day interactive vocabulary workshop is designed to increase student achievement and engagement with easy teacher preparation.

Participants will explore teacher-tested strategies that build advanced academic language. One Stop Word Shop specializes in effective vocabulary resources. We support educators by providing easy to use, effective and fun materials and workshops.

AGENDA

SESSION | FULL DAY

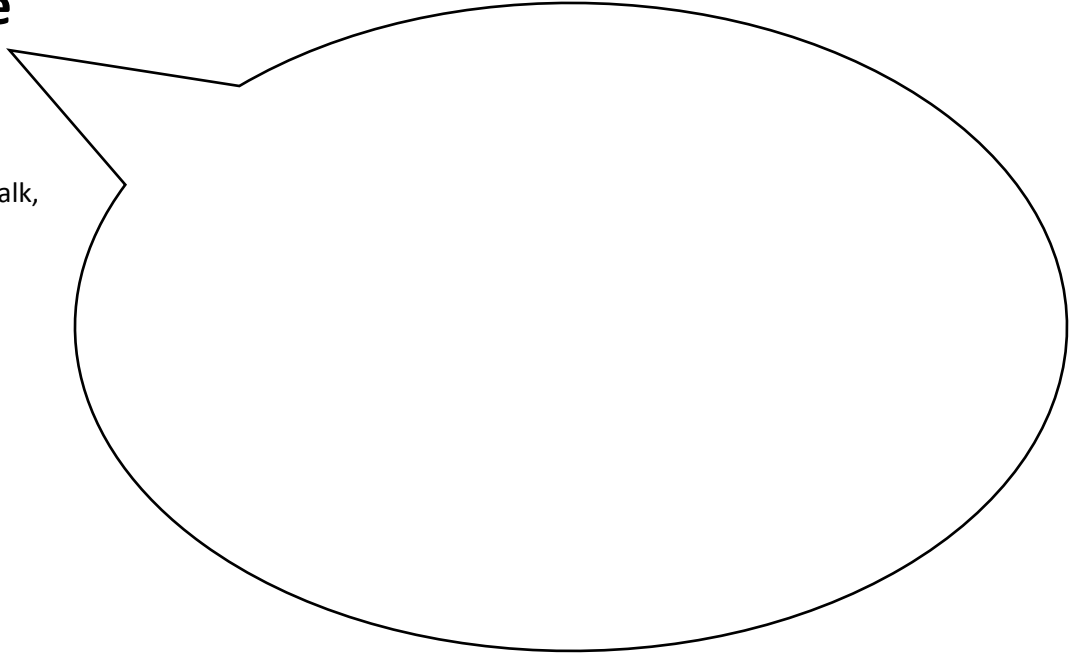

- Overview
- Best Vocabulary Practices
- Word Conscious Environment
- Direct Instruction: What is It? What Works?
- Word Learning Strategies
- ESL Strategies and Recommendations
- Synonyms for Raising Rigor
- Vocabulary Games/Review

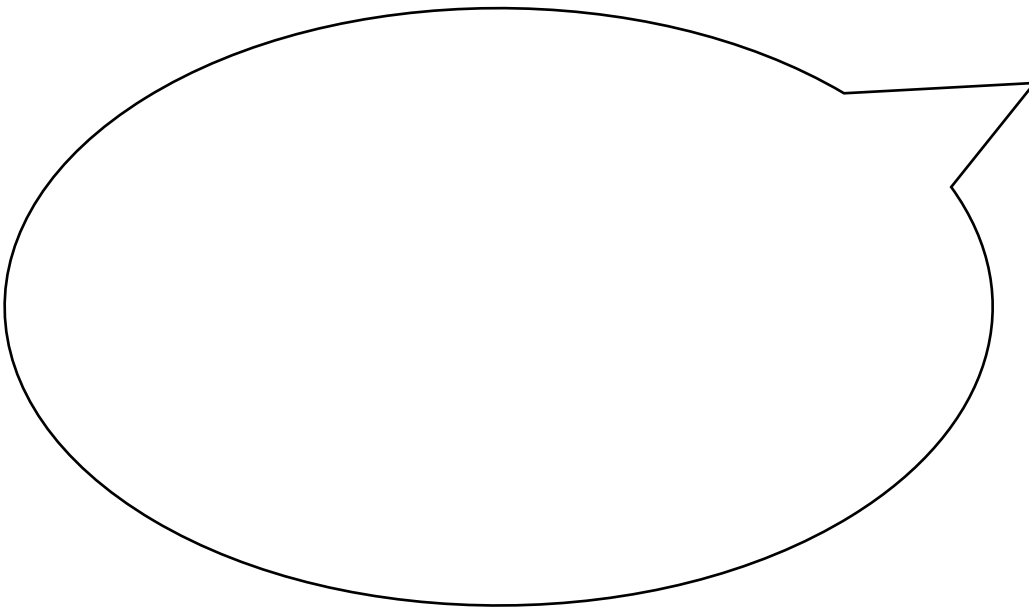

Activity: Talking Words (Review)

Miscible

If a word could talk,
how would it
describe itself?

Density

Word Exchange

Week's Objective: Teach Tier 2 (synonyms) words by connecting to familiar or high frequency words. i.e. easy (cinch, effortless, simple, straightforward, piece of cake, etc.)

Day 1: Introduce Words

- ❖ Read, write, and speak

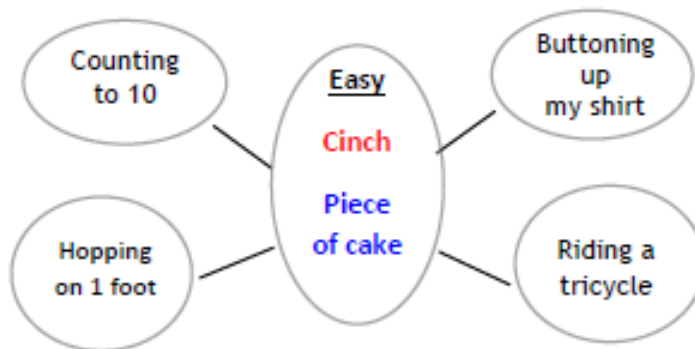

Display organizer below. Teacher selects a familiar or high frequency vocabulary term. Teacher completes each section of the organizer. Teacher reads and says words, students follow along and repeat after the teacher. Students draw a picture related to the word/synonyms.

Familiar/ Known Words	Definition	Synonyms	Picture
Easy			

Day 2-4: Practice and Play (Choose one per day)

Review and Rehearse

- Connection Web- Connect activities or familiar objects to the anchor word.

- Voices- Teacher displays words/phrases and uses a voice (silly, quiet, shouting, singing, howling, growling, whisper) to say each word. Students repeat words using the same voice.
- Fluency practice- Teacher displays and reads a sentence. Students repeat at the sentence. Teacher repeats the sentence again and shows where the natural pauses or breaks occur. Cooking boiled eggs/can be a snap/ to make.
